FISHERPERSON AFFADAVIT

I understand that:

- Jesus used fishing as a metaphor for following his way of life and this "license" re-affirms my commitment to Him.
- This pledge gift is a symbol of my gratitude for life, love, health, food, shelter, talents—indeed for all that I have and all that I enjoy.
- in the event of a financial problem in this giving year, I can adjust my pledge by calling the Rector for a confidential conversation about revising my pledge.

Proportional Giving Chart

The Biblical standard for giving is to set aside 10% of our income (Hebrews 7:2, Genesis 14:18-20) for God. Not everyone is ready to set aside 10% for their income for God. Some are ready to give more.

As you pray this season, refer to this chart to determine your pledge for 2017. Remember all that God has given you. Ask God what next steps God might be calling you to take.
